

Family Home Learning Schedule

Please use this daily schedule to help maintain a routine and continuous development of your child's growth during your home learning stay.

Infants and Toddlers (6 weeks to 36 months-old) are typically are fed, diapered, and nap upon their individual needs and routine. Use this schedule to engage your infant or toddler in age-appropriate learning activities.

Preschoolers (3 to 5 years-old) look for daily routines with activities they are accustomed to and will continue to prepare your child to be school ready for kindergarten. Use this schedule to engage your preschooler in age appropriate learning activities.
